# SUCCESSING WITH SUMMER READING

Kids who read during the summer can avoid the summer slide. By reading they can maintain, even improve, their reading skills! Public Library Summer Programs make a significant difference to a community and to a child.

# Summer Reading Incentive Prizes

Does your Summer Reading Program include giving away books?

In addition to borrowing books from the public library, children need to have their own books at home. The titles in our Title Source 360 **2020 Summer Reading Incentive Prizes** category support your efforts to provide each child with a high-quality, engaging book to take home as a reward for participating in your program.

Link directly to the Selection Lists at [CATS.baker-taylor.com/bibliographies](https://CATS.baker-taylor.com/bibliographies).

If your plans include purchasing a large number of books to give away as summer reading incentives, you are eligible for a special discount and supporting program materials.

**Contact your CATS Regional Manager for details:**
